Fourth Sunday of Easter ~ Year A

7th May 2017

Confirmation

Enrolment forms will be collected after Masses this weekend with $20. Parents will also be handed a form to indicate their preferences for the workshops which begin from the 23rd May. Gratitude is extended to the large number of families who have so far, been providing strong commitment to the various requirements of the programme.

Interparish Golf Day ~Update ~ The Highlands Course, Mittagong

In two weeks' time on Sunday 21st May, a team of players from our own parish will be travelling to The Highlands course at Mittagong for a golf day with parishioners from Mittagong and Bowral. From among our own parishioners, 15 people have already registered. The event is a three-person ambrose with a shot-gun start at noon. An early evening meal will follow the golf with presentations. Players are advised to try to arrive at least 30 minutes early especially since complimentary rolls and drinks will be offered by our hosts beforehand. Interested parishioners are asked to contact the office during parish business hours from this Tuesday or to see Father Michael.

Rome Pilgrimages

Father Michael and Father Sean from Bowral will be present for two pilgrimages in Rome from 10-17 August and then from 17-24 August. From our respective parishes there are 24 travelling during the first week and then 26 during the second week. If interested in knowing a little more, please contact the organisers today on 1800 753 959 for a free pilgrimage kit. A sense of anticipation has been building, and pilgrims will soon be advised of a pre-tour gathering.

Catholic Care Counselling Services

If you are currently going through a tough time in life or know someone who is, then experienced counsellors at CatholicCare are waiting and ready to assist. These counsellors offer support and a listening ear to help you focus on strategies for coping with stress and major changes in life. Please feel most welcome to call on 4254 9316. All matters treated with confidentiality & sensitivity.
