East Africa Food Crisis - Caritas Appeal 2017

The United Nations has said this is the largest humanitarian crisis since the end of the Second World War. Tragically, 23 million people are facing starvation. With the support of the ACBC, Caritas Australia is responding to Pope Francis' call for assistance to these people. Caritas Australia will contribute to the work of Caritas International, which is closely involved with those most in need. The immediate need is for food and water, shelter and medical supplies to help reduce the loss of life due to malnutrition and disease. Responding to this call, it has been agreed that Caritas will conduct an appeal for East Africa throughout our Diocese during this time. Our parish will be collecting for this important appeal next weekend 12/13 August.
