Signing Pages - Father Joe's Silver Jubilee

This weekend the Committee for the celebration of Father Joe's Silver Jubilee have placed some sheets around the church for parishioners to write messages of congratulation to Father Joe. The messages can be of any length even just a signature, and everyone has to opportunity to let him know how special he really is. These pages will eventually be compiled into a book for Father Joe to keep and look back on for many years to come. The sheets will also be available at the luncheon today at the Camden Civic Centre during the course of the function.

Celebrate the Season of Creation

1 September – 4 October

Spring is almost upon us and Pope Francis invites us to celebrate September as a 'Season of Creation'. This is a time for individuals and communities to "reaffirm their personal vocation to be stewards of creation." It is a "precious opportunity to renew our personal participation in our vocation as custodians of creation." You are invited to take part and over coming weeks more resources will be on offer to support this initiative within our Diocese. Further details on this year's Season of Creation can be found on the Global Catholic Climate Movement website <http://catholicclimatemovement.global/act/>. Further information on Diocesan resourcing can be obtained by calling Darren McDowell on 4222 2463 or darren.mcdowell@dow.org.au.
