

*Fifth Sunday of Easter - Year C*

*19th May 2019*

Personal discipleship requires not only belief, but action as well. It involves a cost to oneself. There is no concept of free discipleship in the pages of the New Testament.

In much the same way, the deepest form of love is based on service and sacrifice. This was the kind of love that Jesus gave to the world

### *Confirmation Programme 2019*

Thanks to all our parents who have registered their sons and daughters in the programme for 2019. The programme requires a serious commitment from family members to have a presence at Mass. For it is at Mass that our hearts and minds are nourished by God's Word and Holy Communion. Parents are requested to collect a leaflet after Mass that contains details about the workshops. If the assigned workshop is seriously inconvenient, please email the parish office before this Tuesday.

## *Adults Interested in Becoming Catholic ~ Programme soon to begin!*

Adults who may be interested in learning more about the Catholic faith – especially if interested in becoming Catholic – are invited to contact the parish office and register their interest. A five-month programme which begins in June, involves meeting with other adults for two one-hour sessions a month until late November. Highly coloured and beautifully illustrated books are provided which contain an excellent summary of the Church's core beliefs. More information is available on the parish web site.
