

Baptisms

Baptism bookings are now open for Sundays up until the end of October 2022, beginning at 11.00am.

There are eight blocks of pews in the church. Accordingly, baptisms will be limited to eight children per ceremony with each family being able to have their own block of pews. Social distancing still applies. And so each family is limited to 40 guests although this can be negotiated in the week before the ceremony if there are less than eight baptisms or some families have well below the 40 guests allowable.

Tentative reservations can be made by ringing the parish office during business hours but will only be held for 48 hours. The reservation will be confirmed when the Parish's official Baptism Form has been returned to the office with a non-refundable offering in a sealed envelope containing the baby's name on the outside. Dispensations always available in cases of genuine hardship.

Baptism packs are available from the parish website.

Bookings for baptisms in November will be available in the coming weeks. Please check back on our parish website for an updated opening date.

However, these plans are conditional upon the present social distancing requirements prevailing into the future.
